## CLOSING DATE OF ENTRIES / CHARGES

All British Competitors please note that entries must be received by the Secretary not later than 3rd June 2016. If entries are cancelled after the closing date, half the entry fee will be refunded on production of a current vet's certificate. We regret no stabling charges can be refunded. Exhibitors paying by credit/debit card will be charged a £2.50 processing fee per transaction.

## EXHIBITORS PASSES

**SHOWJUMPING** - Owners and riders of horses must be members of Hickstead where applicable, and will receive one Groom's wristband per two horses, plus a Horsebox Pass for parking in the Stable Field. Exhibitors who are competing in a British Showjumping Winter Final only do not need to be members of Hickstead and will receive two members' badges, one for the owner and one for the rider, plus a Horsebox Pass. One Groom's Wristband will be allocated per two horses. Passes will only be issued to exhibitors for the day they are exhibiting.

**SHOWING** - Exhibitors in the Showing Classes will receive two members' badges, one for the owner and one for the rider, plus a Horsebox Pass for parking in the Stable Field. One Groom's Wristband will be allocated per two horses.

**Please note: Exhibitors' passes are valid the day before their classes when overnight stabling is booked. Access is limited to Stable Field only, and to the showground, Trade Stand Village & Food Hall from 4.00pm.** Exhibitors may purchase extra passes in advance from the Hickstead Office (please see back of entry form). Exhibitor passes will only be issued for the day of competition. Weekly stabling does not entitle exhibitors to a full quota of weekly passes - only one weekly Groom's wristband will be issued free of charge. Extra passes will need to be purchased.

**PLEASE NOTE: NO CARS WILL BE ADMITTED TO THE STABLE FIELD.**

## RIDERS' CAR PARK

Exhibitors and visitors parking in the Riders' Car Park at the top of the Stable Field near the exit will be charged £10 per day or £40 for the week. Car Passes can be purchased in advance or on the day.

## SHOWING GROOMS

Grooms must be correctly dressed when entering the arena, i.e. hat and jacket. No demin. Anyone deemed inappropriately dressed will not be allowed to enter the ring.

## SHOWING EXHIBITORS NUMBERS AND MARKSHEETS

Showing exhibitors will be sent their numbers in advance with their badges. Mark sheets will only be displayed on the notice board outside the show office on the day of the class and until 11.00 am the next day. Regrettably, no copies will be available from the show office.

## STABLING

### Applications for Stabling

Stabling must be booked on the official stabling form. The final date of application is 3rd June, after which no guarantee will be given that stabling on the showground can be made available. Only those horses who have stabling reserved on their Entry Form can be stabled at Hickstead. Stallion owners are required to bring their own electric packs. Failure to do so will result in exhibitors having to purchase a pack from the stable manager at a cost of £200 per unit. Unruly or dangerous animals may be asked to leave the showground.

### Cancellation of Stabling

No application for refund of charges paid can be considered after 3rd June.

### Charges

Stabling for period of show £160 inc. VAT      Stabling for one night £55 inc. VAT

Daily stabling is bookable for a 24 hour period; from 5.00pm to 5.00pm

Exhibitors with horses and/or ponies arriving for the first time at the Longines Royal International Horse Show at Hickstead will not be admitted between the hours of 10.00pm and 6.00am. Competitors and horses in international jumping competitions must remain on site at all times. No animals or persons may arrive before 10.00am on Monday 25th July. All animals must be removed on Monday 1st August 2016.

No horses or ponies may be kept in lorries overnight. Exhibitors who have not booked stabling will not be admitted to the Stable Field until the day of their competition.

### Bedding and Forage

Please note that due to fire regulations, straw is not permitted in the Stable Field. EXHIBITORS ARE ADVISED TO BRING THEIR OWN SHAVINGS - STABLES WILL NOT BE BEDDED DOWN IN ADVANCE. Extra shavings, hay and forage can be purchased in the 'Stable Field' on a daily basis. Deliveries to the Stable Field by alternative suppliers will not be allowed. Exhibitors are expected to leave their stables in a clean state - failure to do so may result in future expulsion from Hickstead. Due to the escalating cost of muck removal, exhibitors will be charged £6 per stable to go towards the cost of this service.

## CARAVANS AND LIVED-IN HORSE BOXES

There will be a limit of one caravan or one lived-in horse box per exhibitor for every three horses which they enter for the show. There will be no charge. Exhibitors with generators on their horseboxes must turn them off by 10.00pm. This ruling will be strictly enforced by Stable Field Security. Exhibitors who fail to comply with this ruling will be asked to leave the showground.

## PRIZE MONEY CHEQUES

In order to be honoured, prize money cheques must be cashed within six months of issue date. Failure to do so will result in loss of prize money.

## RETURNED CHEQUES

Any exhibitor whose cheque is not cleared through the banking system will incur a £30 surcharge, payable before entries can be accepted.

## CUPS AND TROPHIES

Exhibitors who win a trophy at the Longines Royal International Horse Show will have their details engraved on the trophy, but will not be allowed to take them home. We have had to make this regrettable decision due to escalating insurance costs and carriage charges.

# RULES FOR SHOW JUMPING EXHIBITORS

## THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in International equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 4747.

The Code is available in English and French. The Code is also available on the FEI's website: [www.horsesport.org](http://www.horsesport.org).

LEAN MUSCLE CONSTRUCTION

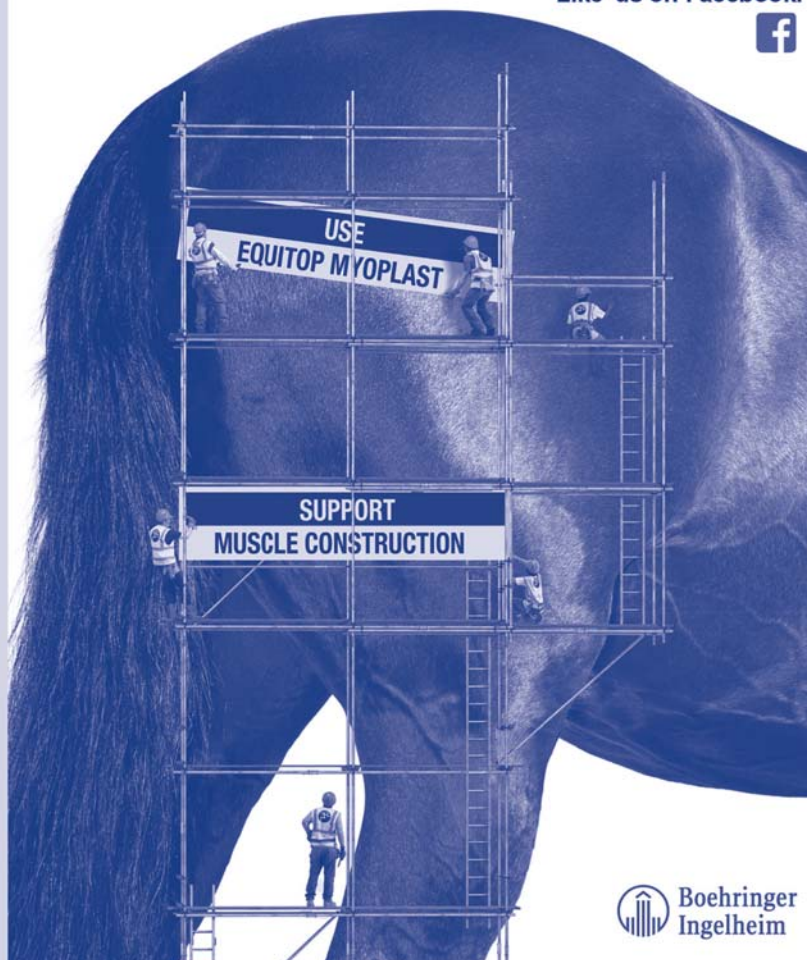

Sometimes horses need a little help to build up and maintain muscle, especially after time off or when they are in hard work.

Equitop Myoplast® supports efficient lean muscle development by delivering 18 key amino acids – the nutritional building blocks your horse needs. Find out more at [www.equitop-myoplast.co.uk](http://www.equitop-myoplast.co.uk) and make Equitop Myoplast the foundation of efficient muscle construction in your horse.

Equitop Myoplast is available from your veterinary practice or on-line pharmacy.

Advice on the use of Equitop Myoplast or other products should be sought from your veterinary surgeon. Equitop Myoplast contains Algae powder (*Spirulina platensis*). This is not a veterinary medicine which is subject to authorisation by the Health Products Regulatory Authority.
