THE ALL ENGLAND JUMPING COURSE

Steeped in national sporting history, this unique venue in the heart of Sussex is available for weddings, celebrations, corporate events and outside venue hire throughout the year. Set in hundreds of acres of beautiful Sussex countryside, it is hard to imagine a more perfect venue for your occasion.

Our dedicated events team, with years of expertise in event planning, can organise as little or as much of your event as required, and with our easy-to-get to location we provide a refreshing alternative to yet another hotel function.

CELEBRATE AT HICKSTEAD

The combination of delicious food, fine wines and great music are the ingredients for a memorable occasion, and here at Hickstead that is exactly what we specialise in.

Our on-site caterers can provide a bespoke and personal menu which can be adapted to suit your requirements and function, from large formal sit-down luncheons or a hog roast in the garden, to canapés or a themed buffet.

Be it a school leavers' prom with a difference, a special birthday or an office shindig, our flexibility is the key to our success.

WEDDINGS AT HICKSTEAD

With all suites offering a superb and exclusive view of the four-acre International Arena, you and your guests will not forget why you chose the All England Jumping Course, Hickstead for your special celebration.

We realise that all weddings are individual and our wedding planners will ensure your day is everything you ever wished for, whether it's arriving by horse-drawn carriage, touching down on the hallowed turf of the famous ring in a helicopter... or even landing in a hot air balloon during the reception!

VENUE HIRE AT HICKSTEAD

With an infrastructure of permanent roads and event facilities, and hundreds of acres of outside space available to hire, Hickstead is perfectly suited to a plethora of different events.

Due to the diversity of our site, Hickstead has provided the perfect location for numerous outside events, from caravan and motorbike rallies to family fun days.

From rolling Sussex fields and ancient woodlands to polo arenas and working stable yards, the sky really is the limit.
