Rules Governing the Hurst College National Schools Jumping Championships

- 1 Speed 325m per minute. Table A. To be judged under Hickstead and British Showjumping rules, with the exception of Rule 212.2. The third refusal will incur elimination.
- 2 Open to any school, for teams of **FOUR** horses/ponies of any height or grade.
- 3 Maximum height of fences in the preliminary round **90cms** for the Junior Division, and 1.05m for the Senior Division.
- 4 No horse or rider may compete in more than one schools team (Junior or Senior), and no horse or rider may compete more than once in the same team. Riders and/or horses may compete in a Pony Club Team or in the NSEA competitions on the same day, provided they are qualified. If teams choose to bring a reserve rider, they must be clearly identified at the time of declaration, and may only jump at the end of the preliminary round when all teams have completed.

- 5 The Competition will be run in two divisions:
- (a) THE JUNIOR DIVISION for riders under 14 years of age on **1st January 2021**, who have attended the school entering the team during the previous Summer Term, or who have proof of enrolment signed by the senior management entitling them to compete for the school they will be attending in the Autumn Term.
- (b) THE SENIOR DIVISION for riders under 19 years of age on **1st September 2021** who have attended the school entering the team during the previous Summer Term, or who have proof of enrolment signed by the senior management entitling them to compete for the school they will be attending in the Autumn Term.
- 6 The Championship will be decided as follows:
- (i) There will be a preliminary competition in Coldstream Equestrian Ring 4. Each complete team will enter the ring, and start in jumping card order. Each rider will go through the start and finish and will NOT start before the bell. Each rider will jump one round only. The other members of the team will wait in a holding box in the ring until it is their turn to jump. The score of the team will be found by adding together the faults of the best three riders in the team – the worst score will be dropped. The ten highest placed teams in each division will go forward to the final in the Longines International Arena. If the number of teams on equal faults exceeds ten, places in the finals will be decided by a jump-off. Teams will nominate one rider to jump off against the clock.
- (ii) The finals will take place in the Longines International Arena. In the final, the team with the most faults in the preliminary competition will start first, and the team with the least, last. The number one rider from each team will jump first, followed by the number two rider, and so on. Faults incurred in the preliminary competition will not be carried forward to the final. In any round if a rider is eliminated they will incur the worse score in the round plus 20 faults. In the event of a tie for first place, there will be one jump-off against the clock.
- (iii) At the conclusion of each Schools Jumping Team Championship, there will be an Individual Championship. These Individual Championships are only open to those competitors who have qualified to jump in the Team Finals in the Longines International Arena. All competitors who jump a clear round in the Team Finals in the Longines International Arena will go forward to a timed jump-off. If there are no clear rounds, the best scores, e.g. the four faulters, from the first round will jump-off. In the event of there being only 2 to jump-off, the third placing will be decided on faults and time in the first round in the Longines International Arena. If a jump-off is needed to decide the Team Championships, the scores of any eligible individuals involved in that jump-off will count towards the Individual placings, i.e. they will not jump-off again. There will be three individual placings in each division.
- (iv) There will be a separate awards ceremony in the Longines International Arena for each division. The Team & Individual prizewings and a parade of all teams will take place after each Final. Every rider will receive a rosette.
- 7 Jackets, jodhpurs or breeches, boots and hats in line with current pony club or BS rules must be worn. It is requested that riders should have their school crest, colour or other identification on their saddle-cloths, or wear school blazers in their school colours. **SASHES MAY BE WORN BUT NOT IN THE PRIZE-GIVING CEREMONY.**

ENTRY FEE: £88 per team.
