A person is an amateur for the purpose of classes run under Association rules if he or she does not during the current or previous season:-

1. Engage in breeding, livery, buying, selling, dealing or hiring horses in a commercial capacity or as a means of deriving a main source of income – since 1st January 2019.
2. Receive remuneration whether it be monetary or goods in kind for employment in connection with horses in a racing, showing or livery stable or riding school (instruction at Pony Club & Riding Club excepted). This does not include the suppliers of ancillary services such as farriers & vets – since 1st January 2019.

In addition, persons classed as Amateur must not be supported by a company in any way or act as a Brand Ambassador.
4. Own/part own an equestrian establishment including but not limited to riding schools, events centre, stud or livery yard in any capacity, or receive any form of remuneration for employment at an equestrian establishment. For the avoidance of doubt for the purpose of this rule, immediate family members of an owner or part owner of an equestrian establishment who work or are howsoever otherwise engaged or involved in any capacity, whether or not for remuneration at the equestrian establishment, will be treated as being an owner or part owner of that equestrian establishment – since 1st January 2019.

6. Professional show persons must not enter the Amateur Ring whilst the classes are in progress. A professional show person is another term for a professional producer and as such a professional groom who works for a producer can enter the ring to groom.
7. A professional rider must not ride or exercise an amateur's horse on the day it is competing in amateur classes.
8. Amateur Home Produced – Horses which are either stabled at home or in a DIY yard and which since 1st January 2021 have not been shown by a professional during the current season or stabled in a professional yard at any time in 2021. Must be ridden by an Amateur. EXTRA SHAVINGS, HAY AND FORAGE CAN BE PURCHASED IN THE 'STABLE FIELD' ON A DAILY BASIS. Deliveries to the Stable Field by alternative suppliers will not be allowed.
