## **Rules Governing the Hurst College National Schools Jumping Championships**

1. Speed 325m per minute. Table A. To be judged under Hickstead and British Showjumping rules, except for Rule 212.2. The third refusal will incur elimination.
2. Open to any school, for teams of **THREE OR FOUR** horses/ponies of any height or grade.
3. Maximum height of fences **85cms** for the Junior Division, and **1.00m** for the Senior Division.
4. No horse or rider may compete in more than one schools team (Junior or Senior), and no horse or rider may compete more than once in the same team. Riders and/or horses may compete in the NSEA competition on the same day, provided they are qualified.
5. The Competition will be run in two divisions:
  - (a) THE JUNIOR DIVISION for riders 13 years or under on **1st September 2025**, who have attended the school entering the team during the previous Summer Term, or who have proof of enrolment signed by the senior management entitling them to compete for the school they will be attending in the Autumn Term.
  - (b) THE SENIOR DIVISION for riders under 18 years of age on **1st September 2025** who have attended the school entering the team during the previous Summer Term, or who have proof of enrolment signed by the senior management entitling them to compete for the school they will be attending in the Autumn Term.
6. The Championship will be decided as follows:
  - (i) There will be preliminary competitions in Equine America Ring 3 (Juniors) & Agria Lifetime Equine Insurance Ring 4 (Seniors). Each complete team will enter the ring and start in jumping card order. Each rider will go through the start and finish and will NOT start before the bell. Each rider will jump one round only. The other members of the team will wait in a holding box in the ring until it is their turn to jump. The team score will be the total faults of the best three riders in the team – the worst score will be dropped. The ten highest placed teams in each division will go forward to the final in the International Arena. If the number of teams on equal faults exceeds ten, places in the finals will be decided by a jump-off. Teams will nominate one rider to jump off against the clock. The score of each team rider will also count towards the individual competition. Reserve riders (max 2 per team) and schools unable to field a team (max 2 per school) may jump as an individual at the conclusion of the preliminary team competition. All those jumping a clear round (including team riders) will qualify to jump in the International Arena.

- (ii) The finals will take place in the International Arena and will be judged as a single phase competition. In the final, the team with the most faults in the preliminary competition will start first, and the team with the least, last. The number one rider from each team will jump first, followed by the number two rider, and so on. Faults incurred in the preliminary competition will not be carried forward to the final. In any round if a rider is eliminated, they will incur the worse score in the round plus 20 faults. The teams will be placed according to the total faults and times of their best three riders. Individual results in the Team Final will count towards the overall individual placings.
  - (iii) At the conclusion of each Schools Jumping Team Championship, those competitors who jumped a clear round in the preliminary competition will jump another round (single phase) in the International Arena. There will be six individual placings in both the Junior and Senior divisions.
  - (iv) There will be a separate awards ceremony in the International Arena for each division. The Team & Individual prizegivings and a parade of all teams will take place after each Final. Every rider will receive a rosette.
7. Jackets, jodhpurs or breeches, boots, and hats in line with current pony club or BS rules must be worn. It is requested that riders should have their school crest, colour or other identification on their saddlecloths, or wear school blazers in their school colours. SASHES MAY BE WORN BUT NOT IN THE PRIZE-GIVING CEREMONY.
